

MARION COUESNON

hyperactive designer

PROFILE

I am an enthusiastic designer who is always curious. Since 2011 I've discovered interaction design and learned printing techniques with passion. With a multidisciplinary background, I expect to find a company that aims to contribute to society with their innovative products or by sharing knowledge.

ACHIEVEMENTS

- I have travelled on my own for two months and a half in the USA.
- I gave a speech at the Junior Design Research Conference in front of 200 people about my design thesis.
- I managed to obtain my master degree in one year instead of two with distinction.

AMBITIONS

1. Find a challenging job in the field of interaction design.
2. Initiate myself into letterpress printing and lindy hop.
3. Travel in South America.

HOBBIES

Listening to vinyl while having tea.

Cooking lovely little meals.

Reading all kinds of books.

Travelling all around the world.
