

**Marion Couesnon**  
hyperactive designer

## PROFILE

I am an enthusiastic designer who is always curious. Since 2011 I've discovered interaction design and learned printing techniques with passion. With a multidisciplinary background, I expect to find a company that aims to contribute to society with their innovative products.

## ACHIEVEMENTS

- I have travelled on my own for two months and a half in the USA.
- I gave a speech at the Junior Design Research Conference about my design thesis.
- I managed to obtain my master degree in one year with distinction.

## AMBITIONS

1. Find a challenging job in a benevolent environment where I could grow my skills.
2. Build a workshop where I could experiment both cooking recipes and silkscreenprinting.
3. Travel in South America.

## HOBBIES

Listening to vinyl while having tea.

Cooking lovely little meals.

Reading all kinds of books.

Travelling all around the world.
